

TransLink

# Base Plan Consultation

## Project Description

TransLink's draft 2013 Base Plan and Outlook outlines strategic initiatives, transportation programs and services that TransLink will deliver between 2013 and 2015 using current existing revenue sources.

## PlaceSpeak Contribution

PlaceSpeak provided a web-based platform to host an online survey that allowed residents of metro Vancouver to provide feedback on the draft 2013 Base Plan and Outlook.

## Project Outcome

The results of the survey helped inform the final draft of the Base Plan and Outlook, which will to TransLink's Board of Directors for approval, and review by the Regional Transportation Commissioner.

## Geographic Scope

Metro Vancouver Region

## Time Frame

September - October, 2012
