

Multi-Family Recycling Strategy

City of Calgary

Project Description

The City of Calgary wanted resident's input on three potential service options for recycling in multifamily buildings (apartments and condominiums).

PlaceSpeak Contribution

PlaceSpeak provided a web-based platform to host online discussions on the three potential service options.

Project Outcome

The input received in the discussion forums was used to help the City of Calgary evaluate potential service options, and inform the City's recommendations to Council.
