

# Aldergrove Community Centre Planning

## Township of Langley

## Project Description

The development of an Aldergrove Community Centre was a priority for the Township of Langley. Council provided input and direction on two proposed options and directed staff to consult with the community on these two options.

## PlaceSpeak Contribution

PlaceSpeak provided a web-based platform to host an online survey, discussion forum and events page to gather feedback on people's preferred option for a new community centre.

## Project Outcome

The online input received through PlaceSpeak closely reflected the input received at two open houses. The information from PlaceSpeak was included in a report presented to Langley Township in February 2013.

## Testimonial

*PlaceSpeak proved to be a successful platform for our public consultation.... It was important that we understand where our feedback was coming from, and PlaceSpeak provided this verification.*

—David Leavers, Director, Recreation, Culture, and Parks

## Information

### Geographic Scope

- Township of Langley and surrounding municipalities

### Engagement Methodologies

- Online survey
- Discussion forum

### Timeframe

- November - December 2012

### Key Analytics

- 763 unique page views
- 74 connected participants
- 43 completed surveys
- 65 comment views

### Topic URL

- <https://www.placespeak.com/aldergrovecommunitycentre>
