

# Lingyen Mountain Temple Virtual Open House

## Richmond, BC

## Project Description

The Lingyen Mountain Temple is a Buddhist Temple in Richmond BC.. Founded in 1999, the Temple has had a steady increase in its congregation ever since and has contemplated expansion plans since 2005. One of the goals of a larger temple facility will be to provide more and expanded services to the community.

## PlaceSpeak Contribution

PlaceSpeak provided a web-based platform to host two surveys on the Lingyen Mountain Temple's proposed concept plans.

## Project Outcome

As a result of the input received through public consultations, including PlaceSpeak, Lingyen Mountain Temple reduced the height of their proposal significantly from previous applications.
