

North Delta Area Plan

Project Description

The North Delta Area Plan update addresses long-term growth, change, and community aspirations for the North Delta community. The Plan will guide development in the community over the next 10 to 20 years.

PlaceSpeak Contribution

PlaceSpeak hosted two surveys about residents' priorities for the future of North Delta. The input received was considered in the development of a new North Delta Area Plan.

Project Outcome

As a result of the input received through public consultations, including PlaceSpeak, North Delta Council approved the North Delta Area Plan in May 2014.

Innovations

PlaceSpeak's ability to easily survey people from a specific geographic area.
